Why dont you raise me up?
oh from the pumpkin patch
down by the pumpkin patch

RAISE ME UP!

Ive been waiting all year just to get myself alone
ive been waiting all year just to meet ya
itll be a real special occaision if you come along
were gonna go trick or treating

RAISE ME UP!

Down by the pumpkin patch
it gets so cold
it gets so queer
and im here waiting for you to be sincere

i need you
to go down to the field tonight
i need you to plant your candied corn
i need you to dance around naked by the light ot the
full moon for me to get
good and
born

RAISE ME UP!

Ive been hurt so many times
punched in the stomach
kicked in the eye
left on the side of the road to die
you wouldnt do that to me baby,
i know why
ive been hurt so many times
left alone and buried alive
ive been alone and im asking why

you wouldnt do it to me, would you baby?

NOW IM ASKING YOU ONE MORE TIME

ARE YOU PREPARED TO SAY
YEEEESSS?

AMEN!
