Ladies and gentlemen  
This, is a Jazze Phizzile produc-shizzle  
Mah nizzle, Outlawz  
2Pac, Makaveli, still breathing  
Yeah

A picture of perfection, the object of a nigga affection  
Partners in passionate sex, a place to put my erection  
Fantasies of you in submission, freaky positions  
Pushin' permanent twistin' I'm on a mission got me on  
the mash

Tried to dig, you was screamin' when I did  
Steady yellin' out spots for me to hit, and aww shit  
Soon as I seen her saw us playin' hide the wiener  
Wanna 'Freak Like Me', fuck Adina

Up and down is the object, side to side  
Make you holla out my name when a thug nigga ride  
Can I come inside? Say you don't feel it that's a lie  
You just scared to get this penitentiary dick

The trot caught your eye when I walked by, I said, "Hi"  
But you was so shy, I can't lie, damn near stuttered  
When you walked by, you want me to lick it and even  
worse  
Got your heart set on me goin' first, and that ain't no  
fair xchange

You do me and if it's worth it baby  
I'll return the favor and give it back to you  
A fair xchange on everything  
Let me tell you that's the way it's gotta be

Open your eyes baby, recognize a player  
Give it up to me, a fair xchange you know the game  
You can do the damn thang, thang, thang

Open your legs, got me watchin' like it's a million  
You tremble from the feelin', look up 'cause I got  
mirrors on the ceiling  
And if you willin', then we can ride until the sun shine

And just for fun, I betchu I can make you cum sixty-one times

Close your eyes, let me heat it up  
'Cause when we fuck I refuse to bust a nut until I beat it up  
Drop the top, time to fuck while the wind blow  
Baby throw yo' legs out the window

Remember on the balcony, bend over baby bounce on me  
And let me hit it where it counts and flee, remember me?  
'I Get Around', and I'm haunted by my temptations  
Sexual participation, my motivation

Even though I like the way you work it  
You don't deserve it 'cause you walk around actin' like you perfect  
Took a while but I finally got it, and like a boss player  
Bitch you ain't doin' me no favors, fair xchange

You do me and if it's worth it baby  
I'll return the favor and give it back to you  
A fair xchange on everything  
Let me tell you that's the way it's gotta be

Open your eyes baby, recognize a player  
Give it up to me, a fair xchange you know the game  
You can do the damn thang, thang, thang

Now yo' attitude ain't realistic  
Yeah it's true I'm gettin' pussy, but baby you gettin' dick  
And since you bein' laced with the penetration  
It's only right to show a form of appreciation

Instead of fakin' like you can't hear the bed shakin'  
In bed naked you so twisted that yo' legs breakin'  
You said take it so I'm blind in my passion, how long will I last?  
Doggie style steady pumpin' on that ass, until I blast

And then I laugh as we lay back  
See I wait 'til you asleep and that's the payback  
'Cause you actin' like you did somethin', givin' me a piece  
I had you mufflin' your screams in the sheets, fuckin' with me

A true digger that love triggers, a thug nigga

Hustlin' bitches like drug dealers  
Before I say goodbye, put an end to all the games  
Here's my number for another fair xchange

You do me and if it's worth it baby  
I'll return the favor and give it back to you  
A fair xchange on everything  
Let me tell you that's the way it's gotta be

Open your eyes baby, recognize a player  
Give it up to me, a fair xchange you know the game  
You can do the damn

You do me and if it's worth it baby  
I'll return the favor and give it back to you  
A fair xchange on everything  
Let me tell you that's the way it's gotta be

Open your eyes baby, recognize a player  
Give it up to me, a fair xchange you know the game  
You can do the damn thang, thang, thang
