I don't want to turn my head around,
To see what i've done.
I just don't want to be made or found,
like this way, the way you just left, you're gone.
Looking in the mirror to see my heart broken youth
I asked it all to know myself but i just couldn't find my
truth.
So i can let things go, so i can be free/clear my head.
I need to dance all alone, i need to dance to forget.

he would fight against every rythem he would need.
he would fight but he wont be able to beat the beat.
take a look at yourself i'm not addicted thats what he
said
he drinks to remember and he dances to forget.

addicted is what you are, thats what all the people say
i gues dealing with that will be the price i'll have to pay.

lyrics

fighting against this beat makes me wanna leave
but i got no where to go.
i dont want to lose the dance i am
I don't know what's killing me, but i'm dying.
who am i? what am i? i asked it all
i can't beat it on my own.
i cant lose the rythem and so ill never fall
i drink to remember but now i just need to be alone.

he would fight against every rythem he would need.
he would fight but he won't be able to beat the beat.
take a loke at yourself im not addicted thats what he
said
he drinks to remember and he just dances to forget.
