Verse 1:

Got my headlights shining
Down an old dirt road
Smoke my cigarettes
I should quit, I know

The radio's playing
Old Country songs
Someone's leaving
Someone's cheating
On and on

Bridge:

I think I might like
The quiet nights
Of this empty life

Chorus:

'Cause someday, maybe
Somebody will love me like I need
And someday I won't have to prove
'Cause somebody will see
All my worth but until then
I'll do just fine on my own
With my cigarettes
And this old dirt road

Verse 2:

See I left another
Good man tonight
I wonder if he'll miss me
Lord knows I tried

But I think that maybe
The thing that I did wrong
Was put up with his bullshit
For far too long

[Bridge & Chorus]

I ain't gonna sleep

I don't wanna dream
About this things that I used to need
I ain't gonna cry
Or go on living lies
I'm just gonna drive

'Cause someday, maybe
Somebody will love me
Someday I won't have to prove
All my worth but until then
I'll do just fine on my own
With my cigarettes
Ohh

[Chorus]
