Ooooh.

It was somethin about the way you looked at me,  
made me think for a moment that maybe we were ment  
to be,  
living with eachother separetly,  
and its strange cause things change when I've been  
wanting you so desperatly.

Chorus:

Oh, I cannot ignore it.  
Yeaah,  
I have giving into,  
I should know better,  
but it's something about the way you looked at me,  
but its strange how things change since I've been  
wanting you soo desperatly.

Its sometimes really hard cause you frustrate me,  
thinking of lines in times where you and I were you and  
me,  
Give me a chance I wanna see,  
and I've missed my chance and chances arent exactly  
coming back to me.

Chorus:

Oh why cant I ignore it,  
yeeaah,  
I have giving into,  
I should know better,  
but it's something about the way you looked at me,  
but its strange how things change since I've been  
wanting you soo desperatly.

So desperatly  
So desperatly  
So deperatly

Oh I  
Back to you  
youre always gone too long

back to youu
