Sometimes I imagine the world without you
But most times I'm just so happy that I ever found you
It's a complicated web that you weave inside my head
So much pleasure with such pain
Hope we always, always stay the same

I'm feeling the way you cross my mind
And you save me in the nick of time
I'm riding the highs I'm digging the lows
'Cause at least I feel alive
I've never faced so many emotional days
But my, life is good
I'm feeling you
I'm feeling you

You go and then I can finally breathe in
'Cause baby I know in the end you're never leaving
Well, we're rarely ever sane, I drive you crazy and you
do the same
But your fire fills my soul and it warms me up
Like no one knows

I'm feeling the way you cross my mind
And you save me in the nick of time
I'm riding the highs I'm digging the lows
'Cause at least I feel alive
I've never faced so many emotional days
But my, life is good
I'm feeling you
I'm feeling you

I'm feeling the way you cross my mind
And you save me in the nick of time
I'm riding the highs I'm digging the lows
'Cause at least I feel alive
I've never faced so many emotional days

Oh, I'm feeling the way you cross my mind
And you save me in the nick of time
I'm riding the highs I'm digging the lows
'Cause at least I feel alive

I've never faced so many emotional days

Life is good

I'm feeling you (5x)

I'm feeling the way that you cross my mind

And the way that you save me in the nick of time

Oh I'm feeling the way when you walk on by

I feel light I feel love I feel butterflies
