You never give up
I can't believe anything you say
And it must be my luck
Cause no one else gets treated this way

And I wanna know
What goes on in that head of yours
Yeah, I wanna know
'Cause I don't think I can take much more

Chorus:
Rain
You must be sick or something
I can't take another day of
Rain
Is falling down
But will the sun come out again

I never speak up
I just try to stay out of the way
And I must have messed up
'Cause thats all that I hear you say

And I wanna know
What on earth makes you act like this
Yeah, I wanna know
'Cause I don't think I can take this shit

[Chorus]

Sun come out
Sun come out

[Chorus]

Rain

You must be sick or something
(You must be sick or something)

Rain

Yeah, yeah, yeah

Is falling down

But will the sun come out again
