### Verse 1:

I wanna paint my face and pretend that I am someone  
else  
Sometimes I get so fed up, I don't even wanna look at  
myself  
But people have problems that are worse than mine  
I don't want you to think I'm complaining all the time  
And I hate the way you look at me I have to say  
I wish I could start over

### Chorus:

I am slowly falling apart  
I wish you'd take a walk in my shoes for a start  
And you might think it's easy being me  
You just stand still look pretty

### Verse 2:

Sometimes I find myself shaking in the middle of the  
night  
And then it hits me and I can't even believe this is my  
life  
But people have problems that are worse than mine  
I don't want you to think I'm complaining all the time  
And I wish that everyone would go and shut their mouth  
I'm not strong enough to deal with it

[Chorus x2]
