"Do you wanna run away together"
I would say it was your best line ever
Too bad I fell for it

And I walked alone waiting for you to come along
Take my tortured heart by the hand and write me off

Do you know I cry
Do you know I die
Do you know I cry and it's not the good kind

Oh
You forced me to become strong when I just craved
being weak
Yeah

And you think you know
And I would like to think so
But do you know that when you go I fall apart

Do you know I cry
Do you know I die
Do you know I cry and it's not the good kind
No
You're not the good kind

I'm tired of hiding behind these blind eyes
I'm tired of this smile that even I don't recognize

Do you know I cry
Do you know I die
Do you know I cry and it's not the good kind

Do you know I cry
Do you know I die
Do you know I cry and it's not the good kind
No
You're not the good kind

Good kind
No

You're not the good kind
Good kind
No
You're not the good kind
