Verse 1:

Somewhere in the country
There's a place where nobody knows your name
When I'm feeling lonely
Theres a train that helps me run away

Chorus:

I KNOW my mother
She always told me
The road *WOULD GET COLD*
I never listened
Always forgettin'
The way back home
The way back home

Verse 2:

Somewhere in the city
Theres a face that makes it hard to stay
He never listened to me
When I'd say that things will never change

[Chorus]

The way back home

I KNOW my mother
She always told me
The road *WOULD GET COLD*
I never *LISTENED*
Always forgettin'
The way back home

I never *LISTENED*
Always forgettin'
The way back home
The way back home
