When the day is over  
Love that's ever closer  
So let it run and break into my life  
Take my hand and cover me with love

When the fallen angel  
Takes the final standing  
And fades away so I can  
see the light I'll walk on through and  
nothing pulls me down

Through the tears and  
battle cries I can feel your love  
And the years of blood and  
pain Fade away, fade away

Memories unwanted  
Dark the poison tasted  
I'm sorry now so break into  
my life O take my hand and  
cover me with love
