You just don't...you just don't know me at all!!

Can you tell me what happened here?
Tell me how I should feel.
My life seems to be in disarray.
I feel you testing me, with all your fanasties
And you try and keep me down,
But I won't stay...cause you don't know me

I've been through all this hell before,
I've seen it all and more.
If you think I'm gonna fade away, then you don't know
me.
You think you have the upper hand, well that's not my
plan.
Stronger now I see that you... you just don't know me at
all.

You tried to manipulate, well now this is your fate.
Cause piece by piece, I'm gonna tear you down.
Can't hold the secret now. Find out what I'm about
Did you think I'd let you have your way, well you don't
know me.

CHORUS

Your soul is screaming...who's crying now?...
who's crying now?
Your heart is bleeding..who's sorry now!!!

CHORUS
