[2Pac]

As the world turns..

As the world turns my ni\*\*az grow and grow and grow  
and get dough and roll and ride

ni\*\*az die and mommas cry

ni\*\*az got alibis and suicides and homicides

and three strikes and yo' life and my life and times  
change

And ni\*\*az fame, as the world turns..

Though I walk thru the valley of hell the shadow follows  
me

Wisdom hard to swallow tomorrow expect apologies

You probably panic, stranded in search of a better  
planet

Realism hard to understand, we stand slanted  
and still stranded, merciless thieves stole the best of  
me

I pray to black Jesus to please take the rest of me

And still, the best of us build, and reach monetary  
gains

Some of us kill, but still, most of us can change  
if we search deeper, god bless the hustler, curse the  
first sleeper

Enemies get beside me, flows go deeper inside

We we ride plots keep all my enemies blinded

Time will soon show, a thought can last for years

Outshinin them fakes smile plastic tears

like last year, ni\*\*az stuck in the past, and it's clear

Just some busta a\*s bastards allergic to cash this year

Makaveli for the Mob, M-O-B

Killin bustaz is my motherf\*\*kin job, him or me

Lyricaly fatally driven, ni\*\*az reported missin

My competition dead or in prison, as the world turns...

[Chorus: Darryl 'Big D' Harper, (Tupac - in background)]

(Turns.. turns, turns, turns, and turns

My ni\*\*az grow and grow and grow

and gettin dough and dough and dough

from this state to that state

from this cell to that cell, as the world turns)

As the world keeps turnin round and round  
It's gon' be goin round as the world turns.. and steady  
turnin

[Young Noble]

As the world turn burnin paths, starin through my  
rearview

It's a war goin on, and the President is in too  
I hear Tu-Pac sayin, "Watch em they'll kill you"  
Sippin Thug Pa\*sion, scrub actin like he feel you  
Steady plottin, ready or not
