'Cuz I hate to spend  
My life, my life, my life, my life  
Duckin' one-time  
(Lost soul)  
How it start? How it start?

Started off with, runnin' from copses duck and hide  
from helicopters  
We open fire, who can stop us?  
Livin' the life of trife juveniles, hopin' for righteous  
Gettin' twenty-five to life, if the judge don't like us  
In my clearest pictures, I see authorities itchin' to get  
us  
ATF state feds scandalous bitches  
I wasn't promised to it, wasn't bitter or sweet  
See if a nigga don't hustle then the nigga don't eat

Only streets livin', do or die, circle complete  
Repetitive motions and felons in the rush for cheese  
Please understand my history, a man of many acts  
Livin' thug life, comin' equipped, with many gats  
Maybe I was just a lost soul, trapped in time  
Livin' in between life, and the cracks were blind  
Even though we had hope for dreams that never came  
Yet and still we all feel pain

Just wait until rain turn to sunshine  
'Cuz I hate to spend, my life, my life, my life, my life  
Duckin' one-time, stranded in the county in the worst  
way  
Hell of a way to spend my twenty-first birthday  
Born in the ghetto as a street thug  
It's for the neighborhood and weed spots that we love  
Lost souls

Lost souls, nigga, for my homeboys that passed on  
Words from the mind of a lost soul

Just wait until rain turn to sunshine  
'Cuz I hate to spend, my life, my life, my life, my life  
Duckin' one-time

My brother Sean, first on my list, he stuck with a three-  
five  
When he get out would I be dead or alive  
He taught me the rules so much, but still in thugs I trust  
When in danger never hesitate to keep my fuckin' trap  
shut  
My mom dukes got a little bit of thug in her

The devil loves sinners crackheads and drug dealer  
Sometimes I feel like the streets are takin' over  
Never stayin' sober, the brain over and over backtrack  
My stack's fat, I used to take new  
One love to my crew, ayyo, this one's for you

R.I.P., rest in peace to Moo Brown  
Know what we gotta do, baby, one-time

Just wait until rain turn to sunshine  
'Cuz I hate to spend, my life, my life, my life, my life  
Duckin' one-time

Just wait until rain turn to sunshine  
'Cuz I hate to spend my life, my life, my life, my life  
Duckin' one-time

One-time, one-time, one-time

I was born twenty-two years ago, yesterday  
But see I saw no reason for me to celebrate, let me  
demonstrate  
Entered the world from out a poisonous womb  
Heroin bein' consumed, already predicitin' my doom  
Soon to be one of the many misguided

Always the first one on the block to be done, tried it  
and liked it  
Lost before I had a chance to find my way  
Now I travel through life, not knowin' the time of day  
Crime for pay, I'm on my way, but don't know, where  
I'ma end up  
I swear to God, it's just a setup  
And these are the words from the mind of a lost soul  
(I'ma lost soul)

Just wait until rain turn to sunshine  
'Cuz I hate to spend, my life, my life, my life, my life  
Duckin' one-time

Just wait until rain turn to sunshine  
'Cuz I hate to spend, my life, my life, my life, my life  
Duckin' one-time

Just wait until rain turn to sunshine  
'Cuz I hate to spend, my life, my life, my life, my life  
Duckin' one-time

Just wait until rain turn to sunshine  
'Cuz I hate to spend, my life, my life, my life, my life  
Duckin' one-time

Just wait until rain turn to sunshine  
'Cuz I hate to spend, my life, my life, my life, my life  
Duckin' one-time

Just wait until rain turn to sunshine  
'Cuz I hate to spend, my life, my life, my life, my life  
Duckin' one-time

Just wait until rain turn to sunshine  
'Cuz I hate to spend, my life, my life, my life, my life  
Duckin' one-time

Just wait until rain turn to sunshine  
'Cuz I hate to spend, my life, my life, my life, my life  
Duckin' one-time

All of y'all, keepin' y'all in health

To all of y'all, keepin' y'all in health  
Just to see you smile and enjoy yourself  
To all of y'all, keepin' y'all in health  
Just to see you smile and enjoy yourself

For all my Doggz, keepin' y'all in health  
Just to see you smile and enjoy yourself  
For all my Doggz, keepin' y'all in health  
Just to see you smile and enjoy yourself  
For all my Doggz, keepin' y'all in health  
Just to see you smile and enjoy yourself

Throw your hands up  
Throw your hands up  
Throw your hands up  
Throw your hands up
