"Are We Dead?"

Visit "[Are We Dead?](#)" on MotoLyrics.com

Deep back in my mind
I lose a sense of time
deadly thoughts grow in my hopes
I feel this pain that slowly grows

Terrified I dream
my life hangs from a string
A waking bed
dead in my head
so lone we live
and now we're dead
now we're dead
now we're dead
so then

take this pain of mine and burn it
shivers down my spine
I fell your eyes burning in
please turn me down and burn me
I would rather die that accept that we're dead
accept that we're dead
accept that we're dead

thinking about escape
while my innocence you rape
death is taking over life
feel this pain throughout the night
now I see the end
I am my own true friend
I never knew
I never cared
I am alive
but I am not scared
Now I'm not scared
Now I am not scared
Not scared

Take this pain of mine and burn it
shivers down my spine I fell your eyes burning in
please take me down and burn me
I would rather die than accept that

Now I see the life down reborn
screams throughout the night
I hear you screaming mine name
I try to live and survive
Iâ€™m lost in circles
and im lost in your world
lost in your world
lost in your world
