(Verse)

I'm totally awake right now
You came around you showed me how
How to love again
And be a better man

I saw this in a dream before
Now I died on the floor
You show me love again
To be a better man

(Pre-Chorus)

As I look in the mirror
The change at this begun
And it's all because of love, of love
It was you , you pulled me through
And baby it's because of you
I feel alive again
And I'm a better man

(Chorus)

'Cause I been running around
Round in circles
I've been searching for the best way to go
And I've been wasting my time tryin to work it
Figure out what I already know
You bring out the best of me so
Oh oh oh ooh
Oh oh ooh
Oh oh ooh
You bring out the best of me so
Oh oh oh ooh
Oh oh ooh
Oh oh ooh
You bring out the best of me so

(Verse)

I try to sail my ships straight through the storm
But when I met you I saw the sun
You give me brighter days
And took the clouds away

So many things that I have done wrong
As soon you came along
Bring out the best of me
And I just can't believe

(Pre-Chorus)

As I look in the mirror
The change at this begun
And it's all because of love, of love
It was you , you pulled me through
And baby it's because of you
I feel alive again
And I'm a better man

(Chorus)

'Cause I been running around
Round in circles
I've been searching for the best way to go
And I've been wasting my time tryin to work it
Figure out what I already know
You bring out the best of me so
Oh oh oh ooh
Oh oh ooh
Oh oh ooh
You bring out the best of me so
Oh oh oh ooh
Oh oh ooh
Oh oh ooh
You bring out the best of me so
