Ohh
Music was made
for us to feel it
feel it
feel it

slowly embracing its arms around me
around me
yeeah
you, you, i die for you
for all you got me through
you're all i ever knew
all of my life i wana be with you

tonight we gon' dance
you're guna make my dreams come true
no one will ever stand a chance
i'll do to me, what you do

so turn the lights up up
in the club tonight
watch you spill it around the dance floor
love the light

so buy the dj a round
so buy the dj a round

i can feel your heart beating in my chest
love played and pulsating through my flesh

me, you, share a love affair,
i will never let go of you
you always been there
you're all i hear
we're guna celebrate love through you

tonight we gon' dance
you're guna make my dreams come true
no one will ever stand a chance
undo to me, what you do

so turn the lights up up
in the club tonight
watch you spill it around the dance floor
love the light

so buy the DJ a round (everybody)
so buy the DJ a round

(Flii Stylz)
if you feel love
and you don't feel it
then put your drinks up
drinks up drinks up(put em up, put em up, come on)
talk to the DJ
and the heat play
we say, bring that, bring that, back back back yeah lets
go

tonight we gon' dance
you're guna make my dreams come true
no one will ever stand a chance
undo to me, what you do

so turn the lights up up
in the club tonight
watch you spill it around the dance floor
love the light

so buy the DJ a round
so buy the DJ a roun
