How do,
Shit, shit, shit
I will miss you
Will i see you
Down and done
Down and done
Down and done
Your new barg is dead
There is a town there
And now, come toghether
I got yo unify, to unify
I got to beat the batle
When i was down then long, long
I am not anymore
Have the body to hold
I will see a nother day
Is that a sin there that i love you
Darling,more that you can say
But i can wait where the camera gaig
I sayed to be
I say you are rong
My teacher say
I am sorry
You must be very intelegent
I say
He is
I am
Ha
Down and done
Down and done
Down and done
Did you stop
Down and done
I'll sell my home beatch
To come home, get my shoe of
Fly, flu, fly forever
You now new your house
Because every day you came see it
I will stay here every day
I can wait to get you girl
Because i lease you

You fool
You rise up
You fool
Down and done
Down and done
Down and done
Down and done
Down and done
Down and done
