Song By SADHANA SARGAM, SHREYA GHOSHAL, SUHEL KHAN

((dard-e-muhabbat - 2) hota hai kya hum bhi dekhenge  
kitna gehra hai yeh dariya hum bhi dekhenge  
maahi ve maahi ve deewaane maahi ve maahi ve - 2) -  
2

tekhna hai iss duniya mein lekar usaka naam  
doobanewaalon ka hota hai aakhir kya anjaam  
kis nagari mein armaano ka hota hai nilaam  
kaun lagaata hai dil ki ?? dhadkan ka naam  
kaise bikata - 2, hai sauda hum bhi dekehng  
kitna gehra hai yeh dariya hum bhi dekhenge  
maahi ve maahi ve deewaane maahi ve maahi ve - 2

love is so beautiful, love is so true  
love is invisible, love is everywhere  
love can come to deep, love can give you prayer??  
love this skies of high, love is in the air

dil mein hamaarein chutaki leti rehti hai baat  
chaand ko kis tarah se milati hai kirno ki saugaat  
roj kahaan se aati hai taaron ki baaraat  
kaun hai aisa jisaki wajah se khil uthati hai raat  
apani aankhon - 2, se yeh tamaasha hum bhi dekhenge  
kitna gehra hai yeh dariya hum bhi dekhenge  
maahi ve maahi ve deewaane maahi ve maahi ve - 2
