I wanna be around
To pick up the pieces when somebody breaks your
heart,
Some, somebody twice as smart as I.
Or somebody who will swear to be true
Like you used to do with me,
Who'll leave you to learn
That misery loves company, wait and see.

I mean, I wanna be around
To see how he does it when he breaks your heart to
bits.
Let's see if the puzzle fits, so fine.
And that's when I'll discover that revenge is sweet,
As I sit there applauding from a front row seat,
When somebody breaks your heart like you broke mine.

And that's when I'll discover that revenge is sweet,
As I sit there applauding from that front row seat,
When somebody breaks your heart like you broke
mine,
When somebody breaks your heart like you broke mine.
