I got a friend who's in love like crazy
Whenever he's with this girl I know
You can't imagine how much he'd love to
Open up and tell her so

Why is he shy
Cause she's too good for just a regular guy
Picture a star
That sparkles like a diamond
She's even more beautiful

She's even more
Beautiful
Beautiful than lovers in the sunset kissing

She's even more
Beautiful
If I told her oops I mean if he did would she listen

The problem is the girl's kinda taken
But her man, he don't treat her right
My friend would never take her for granted
He'd have his arms around her every night

What should he do
I think it's time for him to make a move

And if she was loved
The way she really should be
I guess she really would be
Even more beautiful

She's even more
Beautiful
Beautiful than lovers in the sunset kissing

She's even more
Beautiful
If I told her oops I mean if he did would she listen

She deserves each day

To be a valentine
That's exactly what she'd
Get if she was mine
Till the end of time

She's even more
Beautiful
Beautiful than lovers in the sunset kissing

She's even more
Beautiful
If I told her oops I mean if he did would she listen

And oh, you know she's even more beautiful
Beautiful, beautiful...

And if I told her oops I mean if he did would she listen
She's even more beautiful
