I didn't mean it
And yet I cheated on you, my love
you, my love

My heart is beating,
are you leaving me alone,
on my own?

And then the tears hit my eyes,
I miss you right by my side
I'm waiting for you (Oh yeah)
Waiting for you

Forgive me just one of my lies,
release me from one alibi
I gotta have you,
I gotta have you (No, noooo, oooooh)

On and on your voice is callin'
On and on inside my mind,
Don't you know, I can't let go
Never, never, cause my love goes

On and one, your voice is callin'
On and on, inside my mind,
Don't you know, I can't let go
Never, never, 'cause my love goes on

Ooooh, whoaa ohhhhh

I didn't mean it
And yet I cheated on you, my love
you, my love

And then the tears hit my eyes,
I miss you right by my side
I'm waiting for you
Waiting for you

Forgive me just one of my lies,
release me from one alibi

I gotta have you,
I gotta have you

On and on your voice is callin'
On and on inside my mind,
Don't you know, I can't let go
Never, never, cause my love goes

On and one, your voice is callin'
On and on, inside my mind,
Don't you know, I can't let go
Never, never, 'cause my love goes on

On and on your voice is callin'
On and on inside my mind,
Don't you know, I can't let go
Never, never, cause my love goes on

Ohhhhhhhh

On and on
On and on..
