There's a certain girl I've been in love with a long, long time.

(What's her name?) I can't tell you. (No!)

I can't reveal her name until I've got her.

(What's her name?) I can't tell you. (No!)

Well, I've tried to get her time and time again.

We just end up as nothing but friends.

And there's a certain girl I've been in love with a long, long time.

(What's her name?) I can't tell you. (No!)

Well, there's a certain chick I've been sweet on since I met her.

(What's her name?) I can't tell you. (No!)

I can't repeat her name until I get her.

(What's her name?) I can't tell you. (No!)

Well one day, I'm gonna wake up and say,

"I'll do anything just to be your slave."

And there's a certain girl I've been in love with a long, long time.

(What's her name?) I can't tell you. (No!)

Well, I've tried to get her time and time again.

We just end up as nothing but friends.

And there's a certain girl I've been in love with a long, long time.

(What's her name?) I can't tell you. (No!)

There's a certain chick I've been sweet on since I found her.

(What's her name?) I can't tell you. (No!)

I can't reveal her name until I get her.

(What's her name?) I can't tell you. (No!)

Well now one day, get her time and time again.

We just end up as nothing but friends.

And there's a certain girl I've been in love with a long, long time.

(What's her name?) I can't tell you. (No!)

I can't tell you. (No!)

I can't tell you. (No!)

I can't tell you.
