Oh baby, honey what's wrong with you?
Well now, baby, honey, what's wrong with you?
Well, you don't treat me, baby, like you used to do

I can't help it, baby, if I'm acting strange
I'm just hoping, baby, I'm not going insane
Well, baby, honey what's wrong with you?
Well now, you don't treat me, baby, like you used to do

Oh baby, honey what's wrong with you?
Well now, baby, honey, what's wrong with you?
Well, you don't treat me, baby, like you used to do

I can't help it, baby, if I'm acting strange
I'm just hoping, baby, I'm not going insane
Well, baby, honey what's wrong with you?
Well now, you don't treat me, baby, like you used to do
