For your love.  
For your love.  
For your love.  
I'd give you everything and more, and that's for sure.  
For your love.  
I'd bring you diamond rings and things right to your  
door.  
For your love.

To thrill you with delight,  
I'll give you diamonds bright.  
There'll be things I will excite,  
To make me dream of you tonight.

For your love.  
For your love.  
For your love.

For your love, for your love,  
I would give the stars above.  
For your love, for your love,  
I would give you all I could.

For your love.  
For your love.  
For your love.  
I'd give the moon if it were mine to give.  
For your love.  
I'd give the stars and the sun 'fore I live.  
For your love.

To thrill you with delight,  
I'll give you diamonds bright.  
There'll be things I will excite,  
To make you dream of me at night.

For your love.  
For your love.  
For your love.  
For your love.
