Smile on me baby,
Make me feel like summer's here.
Smile on me baby, Yeah, smokestack lightning,
Don't you hear me callin'?
Don't you hear me callin' your name?
Don't you hear me callin' you?
Don't you hear me callin' you?

Tell me where did you go last night?
Gotta know who you been with.

Tell me where did you go last night?
Tell me where did you go?
Tell me where did you go?

Fare you well, goodbye, pretty baby,
Never see you no more, no more.
Fare you well, goodbye, pretty baby, goodbye,
Fare you well, goodbye.

Yeah, smokestack lightning,
Shining like gold,
Don't you hear me call out you?
Don't you hear me callin' you now?
Don't you hear me callin' you now?

Ah, stop your train, yeah,
Let me go for a ride with you,
Let me go for a ride, oh stop your train now,
Oh, stop your train now,

Fare you well, goodbye, pretty baby,
Tell me where did you go?
Why did you leave me, oh?
Oh, fare you well, goodbye, goodbye.
Make me feel good when you're near.
Prove it to me baby,
That our love is in the clear.

Walk with me baby,
Make me hold my head up high.

Walk with me baby,
Make me feel the greatest guy.
I'm gonna love you baby,
Love you till you cry.

Stay with me baby,
Make me always feel so fine.
Stay with me baby,
Make me always feel so fine,
So I can tell all the world,
You always gonna be mine.

Smile on me baby,
Make me feel like summer's here.
Smile on me baby,
Make me feel good when you're near.
Prove it to me baby,
That our love is in the clear.
