Yarrak is the head
Given no repent
Follow the yarrak head to the dark hole

Guide your yarrak into somewhere you know
Somewhere you know...

(chorus)
To forever spit white
Not a single fear inside
Forever spit, spit white

YARRAK

When the answers lie deep,
And resentment spies are sleek
You have choose the right hole
Yarrak knows where to go

Repeat Chorus

YARRAK
YARRAK
YARRAK!!!

Forever spit white
