Liquid

Liquid, love

Liquid, turn me into liquid

Love

Behind the silence I heard such a song

That turned me into liquid love

Liquid love, liquid love

Liquid love (3X)

(2X)

Behind the silence I heard such a song

That turned me into liquid love

Liquid love, liquid love

Liquid, turn me into liquid

Love [Liquid love]

Liquid, turn me into liquid

(2X)

Behind the silence I heard such a song

That turned me into liquid love

Liquid love, liquid love

Behind the silence I hear such a song

Feeling the waves of sonic vibration

That turned me into liquid love emanations

(4X)

Liquid

Liquid, love

Liquid, turn me into liquid

[Liquid love]

[Liquid love]

(2X)

Behind the silence I heard such a song
That turned me into liquid love
Liquid Love, liquid love

[Liquid love]
