there's a hunger
that's within my spirit
to serve forever
in the Master's plan
to see revival
and this generation follow you
i'll walk the path
that shines of Jesus
and choose the narrow gate
that leads me through
though i may stumble
let your Spirit guide me
home to you, home to you

I have found
the greatest love of all
i have found
the greatest love in Jesus
yeah in Jesus

when i wander
through death's dark valley
i will not fear for you're by my side
you are my fortress
and my strong deliverer my refuge
in that moment when i bow before you
to bring the crown
that was fashioned in your name
my soul will bond with my king forever
to worship you, i will worship you!

I have found
the greatest love of all
i have found
the greatest love in Jesus
I have found
the greatest love of all
i have found
the greatest love in Jesus
yeah in Jesus
