Troubles flow as waterfalls
Waves of sorrow crush me
Tears that flood a thousand streams
My heart a million pieces

There's a hole inside
There's a hole inside
There's a hole inside my soul

Joy becomes a faded dream
Peace a distant echo
Hope am I abandoned here?
Faith I feel you shaking

There's a hole inside
There's a hole inside
There's a hole inside my soul

Night explodes in symphony
Breaking through my shadows
Fighting my uncertainty
I step out onto the water

Lord, won't You stretch
Your hand out
Your hand out
Oh Lord, won't You stretch
Your hand out
Your hand out

I feel You, yes I feel You
I feel You, yes I feel You
Your hand out

More than all the world can give
I am thirsting for You

Thanks to melody
