"Rise"

Visit "[Rise](#)" on MotoLyrics.com

Place the coal upon my lips
Deeds upon my fingertips
Actions whispering louder than my voice
Speak Your word out through the prophets
Make a sign bright like a comet
Jesus shining lighting up the sky

Rise and shine through us tonight

Take me to the greatest need
A killer of the Devil's seed
Joining with the angels in Your song
Bind the hands of all abusers
Wipe the bullets from our future
c'mon God, hear me dream out loud!

Rise and shine through us Jesus
Rise and shine through us

Love, love is the drug I'm feeling
Love, love is the drug I'm dealing
Love, love what the world is needing
Rise, rise, tonight

Rise up, rise up, everybody rise!
'Cos love, love is the drug I'm feeling
Love, love is the drug I'm dealing,
Love, love what the world is needing
Rise, rise, tonight

(rise)love is the drug I'm dreaming of
(rise)love is the drug!

Thanks to melody
