"Someone I Can Live For"

Been searching all my lifetime
Been reaching for a lifetime
Now I have you living inside
I'll take a ride on the wings you'll give me
And fly into your arms

'Cos you are someone I can live for
You are someone I can die for
You, you're someone I can live for, you...

Everyday I try to survive
Strip away self and my pride
Searching for the new man inside
I'll take a dive in the depths you give me
And fall into your arms

'Cos you are someone I can live for
You are someone I can die for
You, you're someone I can live for , you....

Been searching all my lifetime
Been reaching for a lifetime
Now I have you living inside
I'll take a ride on the wings you'll give me
And fly into your arms

'Cos you are someone I can live for
You are someone I can die for
You, you're someone I can live for, you...

I say you, I say you
I say you, I say you

Thanks to melody
