Home, Home is where the house is
Roads and roads of houses
Roads that carry on
Home, Keeps you moving forwards
I think you'll walk forever

Don't, follow the signs
They are misguiding
Despite the design
This world's not fit for you

Not fit for you
Fit for you
Not fit for you

Your, your walking without speaking
Keep the pace brisk
Your body insists that you should sleep
A chance, a chance would be a fine thing
I think you'll walk forever

Don't, follow the signs
They are misguiding
Despite the design
This worlds not fit for you

Don't, follow the signs
Cause they are misguiding
Despite the design
This world's not fit for you

Hey runner, what are you running from? x8
Hey runner, why are you running?

Don't, follow the signs
They are misguiding
Despite the design
This worlds not fit for you

Don't, follow the signs
They are misguiding

Despite the design
This worlds not fit for you

Not fit for you
Fit for you
Not fit for you
