I looked down from the Carillon
I looked across to the aviary
How long have they been having fun?

I want to be among them
Sitting pretty drinking Evian
I don't think that it will be long

And I will never go down fighting (x4)

I want to do it on the tennis courts
I want to do it where they are playing sport
So they can make sport of this man
Will I find myself traveling?
Will I find myself in therapy?
Or leap and just see where I land

And I will never go down fighting (x4)

Well it is cold, cold, cold
And I think I'm going to die in here
Considering Loughborough suicide
Which I'm definitely going to do this year
And if you take a look out side
Then the answers to your questions seem quite clear
That you may as well leave
Because there's nothing else to do around here

How long have I been inside? (x8)

Well it is cold, cold, cold
And I think I'm going to die in here
Considering Loughborough suicide
Which I'm definitely going to do this year
And if you take a look out side
Then the answers to your questions seem quite clear
That you may as well leave
Because there's nothing else to do around here (x2)

And I will never go down fighting (x4)
