

Young Knives, The "The Decision"

I wore the blue with the green
I wore the blue with the green
I mixed the matt with the sheen
Its not the way to be seen
That decision was mine
That decision was

I was a difficult child
I was a difficult child
Ãœ was abstract and mild
I played the Dane with a smile
That decision was mine (x3)
Well that decision was

The horses in the new forest are running in their
Sunday best
And though you can't believe your ears
They say the words you long to hear
It's easier
It's easier

I am the Prince of Wales
I am the Prince of Wales
And if all else fails
I am the Prince of Wales
That decision was mine
That decision was

I am your Monarch
I am your Monarch
I am your Monarch your supreme Monarch
That decision was mine (x3)
That decision was

The horses in the new forest are running in their
Sunday best
And though you can't believe your ears
They say the words you long to hear
Its easier
Its easier

Ba ba ba ba bada doo da
Ba bada ba ba bada doo da
That decision was mine
That decision was mine
That decision was mine
Well that decision was (x3)

Ba ba ba ba bada doo da
Ba bada ba ba bada, Good News
That decision was mine
That decision was mine
That decision was mine
Well that decision was
