I'll give back your pogo stick as  
Soon as you return my wasted time  
And then I'll be fine

I'll feel so much more nostalgic  
As soon as all my cheques are countersigned  
I'll sure be fine

Are you panicking or just groveling?  
I want to empathize

So how does it feel when the guilt bites into your veins?  
How does it feel, you cheeky, cheeky little monkey?  
How does it feel when your conscience burns in your  
brain?  
I gotta know, how does it feel?

I've been there done that  
Don't like re-runs  
If I do I'll rent the video  
And cancel your show

Does somebody need a big hug?  
Call me up when I'm in Mexico  
Spending your dough

Are you worrying or just sniveling?  
I want to empathize

So how does it feel when the guilt bites into your veins?  
How does it feel, you cheeky, cheeky little monkey?  
How does it feel when your conscience burns in your  
brain?  
I gotta know, how does it feel?

Are you shivering, are you anything?  
I want to empathize

How does it feel?  
How does it feel?  
How does it feel, cheeky monkey?  
I gotta know

So how does it feel when the knife is stuck in your  
back?  
How does it feel you cheeky, cheeky little monkey?  
How does it feel when your anger boomerangs you?  
I gotta know, how does it feel?

How does it feel?  
How does it feel?  
How does it feel?  
How does it feel?  
How does it feel?  
I gotta know
