"Can't Wait" - Yuki Hsu & Yoo Seung Jun

When I hear your voice over the line.
All I wanna do is to keep you on my mind.
I only had one thought. How long?

Don't wanna play the fool.
How did we end up like this baby?
Just wanna play it cool.
I knew I'd always promise.
Won't you tell me baby boo what you want what you
need maybe,
I'll be the one that you need till I die baby.
Let me tell you about the things that you don't realize,
so let me televize my love so you can fantasize.
Conjunction-Function but look at the situation.
Don't waste time let's have a conversation.
It's kind of sad but that's our only option.
Let's keep it down low till I get there uh

Yuki :
Lian er duo dou zhong la
hua shuo tai duo sheng yin dou ya le
bao zhe dian hua you dian ai kun hai she bu de gua

Yeah, that's how it is ,as I keep on reminess,
you know I keep it real oh yes
we've got to deal with this, but I'm sick of this, bullshit
acting stupid for the Show-biz Gee-whiz
but wait I'll be there, when I'm done with this

Yuki :
Wo zuo tian shui tai wan xiang ni xiang dao san dian
ban
zao shang cong cong mang mang wang de wang xing
guo de yi tuan luan
hen rong yi bu nai fan
zong xian shi zhong zou de na me man
xiang you ping chang xin tan lian ai you dian nan

Xian zai jiu xiang ma shang jian dao ni jiu xiang ma

shang kao zhe ni
bie shuo yi tian jiu lian yi miao dou kuai deng bu ji
ni shuo ni ye ke wang jiang re qing zu yi suo huo jian na
kuai di
sui ran kua zhang hai shi gan jue tian mi mi

My heart is always with you even though we're apart
baby.
I know you're sad and blue but that can't take us apart.
Get away from the dark baby come and see the light.
Yuki, in my dream I could with in my Mitsubishi.
But times going, going are gone it's gone
like the wind that can't stop, but stop not at the bus
stop,
you and my drop top.
Yeah put time in lock. That's right.
You and me baby messing around in the parking lot.

Xiang zhu wo

Don't wake me up.
Take the time to explain my mind ???

Gen zhu wo

You so fine I wanna make you mine

Zhi xiang yong yuan zai yi qi

Can you be with me?
Live in luxury, and we be making precious history.
I keep your picture by my bed so I can know you're in
my head.
Take my hand by your hand, and I will always be your
man.
You gotta trust in me like I would trust in you,
Baby close your eyes and my love will see you through.

Yuki :
Zong you ren bu xian fan
zhao ni you guo lai da shan
mei ci dou hui rang wo te bie xiang ni jue de hao gu
dan
yao yuan de ju li jiu you bu an duo zai xin li zhuan
jin ye yue liang wan wan xin qing you dian lan

Xian zai jiu xiang ma shang jian dao ni jiu xiang ma
shang bao zhe ni
bie shuo yi tian jiu lian yi miao dou kuai deng bu ji
deng dai dui ai lai shuo xiang ku xi
que yong you shen qi de mo li ta

hao rang jian mian zai tian ye dou bu hui mi

If you keep this in your mind, we will make it through
this time.

You will find, it's a sign, it's written in my rhyme.
Even though we are apart, you are always in my heart.
Honey stay with me forever and through any thing
endeavor.

Can we make it through this phase,
I will see you through this maze.

If you put your faith in me, happy ending it will be.
That's a promise Yuki, have a little patience,
and in time, you'll see.
