Who knows where?  
Knows knows  
Knows knows  
Knows knows

Who knows where?  
Knows knows  
(I don't know)  
Knows knows  
Knows knows

Who knows where?  
Knows knows  
(I don't know)  
Knows knows  
Knows knows

I don't know, but for some reason I just can't let it go,  
I guess I never thought that you'd leave me alone,  
Where did the love go, where did it go?  
Thinking back, you gave me everything, I didn't give  
you jack,  
And now I've gotta find a way to get you back,  
Where did the love go, where did it go?

Girl do you know, where it could be?  
Cause if you know, you gotta tell me where to go,  
And I will walk, I will walk, on my hands and knees,  
To bring it back, to bring it back, back to you

Who knows where?  
Knows knows  
(I don't know)  
Knows knows  
Knows knows

Who knows where?  
Knows knows,  
(I don't know)  
Knows knows  
(I don't know where the love gone)

Knows knows

Who knows where?

Knows knows

(I don't know)

Knows knows

(Baby baby)

Knows knows

Who knows where?

Knows knows

(I don't know)

Knows knows

Knows knows

I don't know, searching everywhere it must be on the  
low,

I'm running tryna catch ya but I'm just too slow,

Where did our love go, where did it go?

Tainted love, was being naive to really think that it will  
last

I know it's gone but girl we gotta get it back

Cause I still see it, in your eyes

Girl do you know, where it could be?

Cause if you know, you gotta tell me where to go,

And I will walk, I will walk, on my hands and knees,

To bring it back, to bring it back, back to you

And lady yeah

Who knows where?

Knows knows

(I don't know)

Knows knows

Knows knows

Who knows where?

Knows knows

(I don't know)

Knows knows

(I don't know where the love gone)

Knows knows

Who knows where?

Knows knows

(I don't know)

Knows knows

(Baby baby)

Knows knows

Who knows where?

Knows knows  
(I don't know)  
Knows knows  
Knows knows  
(I don't know where the love gone)
