I like the way (i like the way)

[Verse 1]

She, got me high i'm stuck
Yup, got me wired up so i feel like Kanye
When we rendezvous i treat her with a nine day cruise
All day she my entree
So i eat, treat her right
Ima leave a ring if i leave tonight
If i leave tonight & go sto back home
Ima tattoo my name on your back bone
I love when you lick your lips quick
When it's time that we get explicit
I ain't talkin bout legal marriage
But having you wet in G's & karats
Plus, during herbal sessions i'm making you scream
like i'm Herbal Essence
That's why you stay under my arm
You lovin my charm
You know i'm here because ...

[Verse 2]

I'm not usually on 'em
I like 'em nice face, tight waist, booty on 'em
But it's something bout the way we kiss
That says i'm the one, I say she's it (yeah)
She admit, she so sprung on a Don
So it's right that i throw somethin on her arm
& she liking the game that we play
In the back seat of the Range for a day
When you go bump bump bump bump
& the system bump bump bump bump
Make me wanna leave the one i'm with
& make you be the one, that's it
While we're thumpin through
Just tell me something boo
Have your figure make a young dude wanna say Ohhhh

[Bridge - NaShay]

Baby don't you ever take your love away
Just keep it right here with me
& it's the way you say NaShay
That really drives me crazy
& just incase you didn't know
My heart belongs to you
'Cuz baby, no one else
Can kiss me like you do
