I like the way (i like the way)
you do your thing
i like the way i like the way
i like the way i like the way

[chours]

I like the way you kiss me when we're playing the
kissing game
I like the way you kiss me when we're playing the
kissing game
i like

[verse 1]

She got me stuck yup got me wide up
so i feel like kanye on rendezvous i treat her with a nine
day cruse
all day she ma entry so I need to treat her right
I'ma leave a ring if I leave you tonight
If I leave you tonight and go back home mama tattoo
my name on your back
Ohh I love when ya lick your lips quick when it's time
when we get explosive
I aint talking bout legal marriage by having you wet in
jeans and carries
Doing sessions I'm making you scream like an
yess
Why you say under my arm you loving my charm you
know why I'm here because

[chours]

I like the way you kiss me when we're playing the
kissing game

I like the way you kiss me when we're playing the
kissing game

[verse 2]

jump jump, blablabla.....

[chours]

I like the way you kiss me when we're playing the
kissing game

I like the way you kiss me when we're playing the
kissing game

[verse 3]

[Nashay]

I like it baby don't you ever take your love away

Just keep it right here with me

And the way you stand in the shade that really drives
me crazy

And just in case you didn't know my heart belongs to
you

Cause baby no one else can kiss me like you do

[chours]

I like the way you kiss me when we're playing the
kissing game

I like the way you kiss me when we're playing the
kissing game

[chours]

I like the way you kiss me when we're playing the
kissing game

I like the way you kiss me when we're playing the
kissing game

Ok, we got another one
