[Verse 1:]

I'm bougie the quite the stunna  
Usually the tight performa  
I stay fly in the summer  
Drive hummers white pipe and under  
Riding wit a chick and she got that thunda  
That means a bardy hard  
Hit yo party like mardi gras  
I swear she party on  
Back to the telly nothing hardly on  
She like my westside notion  
I let her get hot by the Westside ocean  
Need a lady in the street who a freak  
When we freak next week  
Turn freak every week  
And I ask her

[Chorus:]

Misses Kitty Kat  
I wanna know where the kitty at  
so hey girl  
can you work that work that  
can you work that work that  
Hey misses Pussy Kat  
I wanna know where the be at  
So hey  
can you work that work that  
Can you work that work that

[Verse 2:]

I wanna see how that little thang fit ya  
We do a video let me get a picture  
You wanna get yours let me get up wit cha  
Run that thing around and get loose  
Kitty Kat kitty kat let me get that  
Give me that let me know if you wit that  
Cos usually I make them forget their boyfriend  
The way I do they start shaking  
To the beat make that booty go  
Nobody like me I don't care who you know

If you ready girl lets start

I can literally touch your heart  
And in case you aint heard about Laze  
I'm loved by little girls and girls twice me age  
So lets make it happen  
Here I go now oops get a napkin

[Chorus:]  
Misses Kitty Kat  
I wanna know where the kitty at  
So hey I  
Can you work that work that  
Can you work that work that  
Hey misses Pussy Kat  
I wanna know where the be at  
So hey  
can you work that work that  
Can you work that work that

Lets have it raining have it pouring  
Like its cats and dogs  
Go girl  
Let me pat that pat that  
Let me pat that pat that  
Lets have it raining have it pouring  
Like its cats and dogs  
(Go girl)  
Let me pat that pat that  
Let me pat that pat that

[Chorus: x2]  
Misses Kitty Kat  
I wanna know where the kitty at  
So hey I  
Can you work that work that  
Can you work that work that  
Hey misses Pussy Kat  
I wanna know where the be at  
So hey  
can you work that work that  
Can you work that work that

So supa supa nasty  
I said supa supa nasty  
So supa supa nasty  
Here Kitty kitty hey
