Maybe
You don't know me
And maybe
That's why you hurt me

Words can cut so deep
They just get in the way

[Chorus]
I thought you were so perfect
And you thought I'd stay forever
Well, maybe

If we just talked more then maybe
It might have worked out always
I'll move my things out of here
It's better that way

It was just the situation
We had different expectations

I thought you were so perfect
And you thought I'd stay forever
Well, maybe

[Music]

It was just the situation
We had different expectations

I thought you were so perfect
And you thought I'd stay forever
Well, maybe that's where we went wrong
So wrong...

I thought you were so perfect
And you thought I'd stay forever
Well, maybe
Maybe
Maybe
