In your eyes are my secrets
That I've never shown you
In my heart I feel
I've always known you

In your arms there's a comfort
That I never knew
You're what I've been waiting for
There's no-one like you

[Chorus]
Sure as a sun rise
Pure as a prayer
You fashioned hope right out of thin air

Every dream I abandoned
Seems it could come true
I believe in miracles
There's no-one like you

[Music]

Innocent as a newborn
In a world so frightening
It's as if my world's
Been stopped by lightning

Every dream I abandoned
Seems it could come true
I believe in miracles
There's no-one like you

Sure as a sunrise
Pure as a prayer
You fashioned hope right out of thin air

In your arms there's a comfort
That I never knew
You're what I've been waiting for
There's no-one like you

I believe in miracles
There's no-one like you
