I follow the night
Can't stand the light
When will I begin
To live again
What more could love do for me
When will love be through with me

[Chorus]
One day I'll fly away
Leave all this to yesterday
Why live life from dream to dream
And dread the day
When dreaming ends

One day I'll fly away
Leave all this to yesterday
Why live life from dream to dream
And dread the day
when dreaming ends

One day I'll fly away
Fly, fly
Away
