Softly
Whispering I love you
Echoes of your voice are calling still through my
dreams
Softening the chill of the breeze

Through my window
I can see the moonglow
Painting silver shadows on a rose coloured land
A world that we walked hand in hand

In a day of gold
Coloured by the glow of new love

I can feel your warm face
Ever close to my lips
And the scent of you invades the cool evening air
I can close my eyes and you're there in my arms
Still and I know your soft kiss
Turning into music ev'ry beat of my heart
When I hold you close to my heart
And I hear your voice whispering I love you

Do do do do do do do do do do do do do do do do

I can feel your warm face
Ever close to my lips
And the scent of you invades the cool evening air
I can close my eyes and you're there in my arms
Still and I know your soft kiss
Turning into music ev'ry beat of my heart
When I hold you close to my heart

And I hear your voice whispering
I love you
