Outside the rain begins
And it may never end
So cry no more
On the shore
A dream will take us out to sea
Forevermore
Forevermore

Close your eyes and dream
And you can be with me
'Neath the waves
Through the caves of hours
Long forgotten now
We're all alone
We're all alone

[Chorus]
Close the window
Calm the light
And it will be alright
No need to bother now
Let it out
Let it all begin
Learn how to pretend

Once a story's told
It can't help but grow old
Roses do
Lovers do
So cast your seasons to the wind
And hold me dear
Oh, hold me dear

Close the window
Calm the light
And it will be alright
No need to bother now
Let it out
Let it all begin
All's forgotten now
We're all alone

We're all alone

[Music]

Close the window

Calm the light

And it will be alright

No need to bother now

Let it out

Let it all begin

Owe it to the wind, my love

Hold me dear
