Come bring me your softness
Comfort me through all this madness
Don't you know, with you I'm born again

Come give me your sweetness
Now there's you, there is no weakness
Lying safe within your arms, I'm born again

I was half, not whole
In step with none
Reaching through this world
In need of one

Come show me your kindness
In your arms I know I'll find this
Don't you know, with you I'm born again
Lying safe with you I'm born again

Come bring me your softness
Comfort me through all this madness
Don't you know, with you I'm born again

Come give me your sweetness
Now there's you, there is no weakness
Lying safe within your arms, I'm born again
Don't you know, with you I'm born again

I was half, not whole
In step with none
Reaching through this world
In need of one

Come show me your kindness
In your arms I know I'll find this
Don't you know, with you I'm born again
Lying safe with you I'm born again
