Born in the country to cultivate healthy é^o—Shiki My supreme happiness is to know about Gives rise to many desire, yet less well "Not satisfied", "unsatisfactory" get angry about something

Spend a shredder as well be the world wad I know how ridiculous this feeling Then Gisugisu

It's more to it and so I do not know
The man was seen as a serious, hard worker
Pleasing people sensitive to stimulants è¶³Torita give
quite different from hockey and love and money
Reason that we were born (not) even if I can do without
What beats you made me breathe
In this case also the same people there who

Also, can you laugh? Do you still want to do there? From there I look into the setting sun colors what are they going? If you live in hope is only to be disappointed This moment I feel like it fits through If you just love living youth with love Tomorrow is a great bet

"Not that it was bullying Ijimetaku separately
Now I gotta do it I felt like dying "and
All the boy said dabbing tears
Channels sensitive to talk about justice raised è¶³Torita
It's not malicious and I'm sure we
Just looking to hurt hurt while I do not understand what

For the country had grown up é^o—Shiki Ordinary daily living there each and every The apology went only wants perfect It was not perfect people shun human We have reason to be alive (not) even if I can do without

To all the politicians to the same boy that made me laugh, and cry what

Can you still walk? Do you fall in eu·Kia SGareru?

I peek scene from advanced developing countries there in heaven nor hell
Amazing thing is worth only to be disappointed in
The person in front of you feel like it fit through the
I love you just support each youth with love
I still make sure

Why not utterly corrupt city that's good enough for all the wrong
I'll look into view from there you can change the hell into heaven
Can you still laugh? Can you still walk?
Are brought to feel like it fit through the
Love between them come from
Surely the world is waiting for tomorrow's great we
