Amaze disgrace
How sweet the sound
Of footfalls in
The underground
And rise my children
Come and play
The perfect earth
She's been blown away

And don't you fear it
When you hear it
Stirring down below
Don't you get that's
How it lets itself into your soul?
These walls are too thin to hide our screams

Amaze disgrace
Oh how sweet it is
Your life's blood bleeds
Along your wrist
And rise my children
Come and see
The perfect earth catastrophe

And don't you fear it
When you hear it
Stirring down below
Don't you get that's
How it lets itself into your soul

These walls are too thin to hide our screams

It was a night like tonight
So many years ago
I was drawn towards the light
Held on too tight; could not let go
And rise my children
Come and play
The perfect earth
She's been blown away

And don't you fear it

When you hear it
Stirring down below
And don't you get that's
How it lets itself into your soul?
And don't you fear it
When you hear it
Stirring down below
Don't you get that's
How it lets itself into your soul?
These walls are too thin to hide our screams

Amaze (disgrace)
