Good, now that we're finally alone
I get the feeling you know I know
Know right from wrong
And a few give up, and a few give in

We could run away
Ah, but they would hunt us down
What else can I say
But turn this ship around?

Breathe in a vacuum of air
Seek to accumulate your share
Sorry, but life is unfair
And I get the feeling you don't know
Who to believe anymore,
The rabbit who runs or the dogs of war

Great, now that we've been introduced
I get the feeling you know I know
Know you're confused
And a few give up, and a few give in

We could run away
Ah, but they would hunt us down

What else can I say
But turn this ship around?

Breathe in a vacuum of air
Seek to accumulate your share
Sorry, but life is unfair
And I get the feeling you don't know
Who to believe anymore,
The rabbit who runs or the dogs of war
The dogs of war...

We could run away
Ah, but they would hunt us down
What else can I say
But turn this ship around?

Breathe in a vacuum of air

Seek to accumulate your share
Sorry, but life is unfair
And I get the feeling you don't know
Who to believe anymore,
The rabbit who runs or the dogs of war
The dogs of war...
